

Less time chasing, more time doing. Happy office, happy drivers!

Our taxi industry expertise has brought us together to change, challenge and innovate driver to office, and office to driver payments. Fully automated lock out for non-paying drivers and simple one click navigation in our Fusion portal gives you the power to control all your driver related payments in one place.

DRIVERS PAY

**Less time chasing, more time doing.
Happy office, happy drivers!**

Our taxi industry expertise has brought us together to change, challenge and innovate driver to office, and office to driver payments. Fully automated lock out for non-paying drivers and simple one click navigation in our Fusion portal gives you the power to control all your driver related payments in one place.

DRIVERSPAY FUSION

DriversPay Fusion offers an additional level of dispatch software integration, to make managing your private hire business effortless. Fusion offers many additional benefits including:

-  **User Controlled Grace Periods**
Setup whole company or individual driver grace periods before automatic lockout occurs
-  **Search & Real Time Balances**
In-built driver search function with real-time driver balances
-  **Pay Drivers Direct From Fusion**
Make instant payments direct to drivers through Fusion for account or credit card jobs
-  **Partner App**
Drivers can make credit or debit card payments for rental directly from their device

Limited Time Offer
Buy the DriversPay machine and get our Fusion Portal absolutely **FREE!**
RRP £4495.00

HOW IT WORKS

Place the DriversPay Machine in an area accessible to all drivers.

Drivers login to DriversPay using the same ID & PIN as your dispatch system

A full summary of credits and debits are available to drivers at any time using the DriversPay machine

The driver makes their payment with notes, coins or debit card, with live cash meter

DRIVERSPAY FUSION
